MANY HURT IN A WRECK

Missouri Pacific Train Ditched
Near Goff's, Kan.

THREE COACHES TOPPLE OVER.

Train Was Going at Full Speed When the
Accident Occurred—Passengers Hurled
In Every Direction and Between Thirty
and Forty Injured, but no One Killed.
List of Seriously Injured.

ATCHISON, Kan., June 8.—An east-
bound mixed train on the Central
branch of the Missouri Pacific was
wrecked a mile east of Goff's last night
and between 20 and 30 passengers in-
jured. From some unknown cause
the mail car, smoker and chair car be-
came derailed while the train was
going at full speed, and the three cars,
well loaded with passengers, toppled
over into a slight embankment. The
accident came without the slightest
warning and a number of passengers
were lying doubled up asleep on the
cushions. The passengers were hurled
in every direction by the sudden over-
turning of the coaches, which fortu-
nately tore themselves loose from the
balance of the train. List of most se-
riously injured:

C. C. Wadleigh, Centralia, cut by glass.
James Bodkin, Osborne, back badly in-
jured.
Ben McCrary, mail agent, Concordia,
pelvic bone injured.
John W. Newburn, postal clerk, Atch-
ison, leg and shoulder injured.
S. A. Weststead, Jewell City, knee badly
injured.

C. D. Bidwell, baggage man, Atchison,
back hurt.
S. J. Fluke, Greenleaf, internal injuries.
F. T. Stackpole, Washington, Kan.,
hand and hip injured.

F. E. Burke, Burr Oak, feet cut and hip
bruised.
J. P. Brennan, Omaha, hip and knee
sprained.

Mrs. Roy Bigelow, arm cut, injured inter-
nally.

B. S. Burkhead, Iowa, side and back
injured.

W. H. Haskell, Gaylord; D. T. Sav-
age and wife, Washington, Kan.; W.
W. Beatty, Vinita; J. W. Wilson,
Frankfort; Weston Massey, Atchison,
and C. H. Ellis of Jamestown were
bruised and cut with glass.

Physicians from Goff's were on the
spot, giving the wounded medical at-
tention. The injured were returned to
Goff's and cared for at the hotels.

Coal Men Form a Combine.

KANSAS CITY, June 8.—Nearly 200
mine operators, coal shippers and retail
coal merchants from Arkansas, Mis-
souri, Kansas, Indian Territory and
Oklahoma, at a meeting here yesterday,
organized as the Midstate Wholesale
and Retail Coal Dealers' association. The
object of this association is to arbi-
trarily fix the price of coal in the
states and territories named. The by-
laws adopted provide for fines of 50
cents to \$1 a ton to be imposed upon
operators who shall sell direct to consum-
ers except in wholesale lots, and upon
retailers who shall sell below the fixed
scale of prices. A boycott of offenders
by other members of the association is
provided for.

Discussion on Reserve Fund.

KANSAS CITY, June 8.—Renewed in-
terest was shown at the second day's
session of the 11th biennial convention
of the Modern Woodmen of America.
Several thousand belated members of
the order had arrived and questions of
importance developed enthusiastic work
and discussion. The action of Tuesday
night's session, which took the prelimi-
nary steps toward creating a reserve
fund—a question which has been fought
for 10 years—was discussed freely by
delegates before the gathering met.
Head Consul Northcott had been in-
structed to appoint a committee of five
to draft a plan for such a fund, and to
report. The report was made the special
business of the day, and it proved one
for fruitful debate.

Proposed Pure Food Legislation.

CHICAGO, June 8.—Senator Mason of
the pure food commission made the fol-
lowing positive statement: "I wish to
say that, first, the commission will pre-
pare a bill compelling manufacturers of
food products to mark their goods for
what they are, for instance, chicory
must not be labelled coffee, but chicory.
We will have in the bill a provision that
will absolutely prohibit the introduction
of deleterious substances in food prod-
ucts. I propose to offer an amendment
to the revenue bill which will abso-
lutely prohibit the importation of food
articles, the sale of which is prohibited
in the country from which they are ex-
ported."

Train Robber Fugley Convicted.

HARVILLE, Mo., June 8.—Jake Fag-
ley, who has been on trial here for a
week past, charged with complicity in
the robbery of a Kansas City, Fort
Scott and Memphis express train at
Macomb on Jan. 3, last, was adjudged
guilty last night. The jury fixed his
punishment at 12 years in the peniten-
tiary. Fugley was a farmer. Before
he turned train robber he had been jus-
tice of the peace, had been three times
foreman of the Wright county grand
jury and had also been a preacher of
the gospel. The trials of Bill Ryan,
John Kennedy and the others under ar-
rest charged with the Macomb robbery
will follow immediately.

Craybill Wins Championship Shoot.

ST. LOUIS CITY, Mo., June 8.—The second
day of the 800 Gun club's tournament
was an ideal one for the sport. The in-
terstate championship shoot was won
by F. S. Craybill of Missouri Valley.
There were 76 contestants, but 12 of
those shot 15 straight and so the final
shoot was between the 12. In the shoot-
out, miss and out, Craybill won his
eighth bird, the other contestants going
all to pieces, some missing the first
bird. Fred Gilbert shot with the ama-
teurs and killed 148 out of 150.

LOOKS LIKE A SETTLEMENT.

Good Progress Made on Alaskan Bound-
ary Dispute—Chamberlain the Factor.

LONDON, June 8.—A high authority
of the colonial office has informed a
representative of the Associated Press
that the negotiations with reference to
the Alaskan question are in the most
possible condition.

After the interview which United
States Ambassador Choate had yester-
day with the marquis of Salisbury at
the foreign office, the lines of a pro-
spective settlement and for carrying on
the discussion in the high commission
were formally submitted by the secre-
tary of state for the colonies, Joseph
Chamberlain, who, throughout, has had
most potent influence with the Cana-
dian side. Every arrangement in the
negotiations here between Mr. Choate,
Lord Salisbury and Sir Julian Paun-
cote has gone through him and the pro-
spective settlement, in a great de-
gree, may be considered a triumph for
Mr. Chamberlain's tact and persever-
ance.

City May Buy Lighting Plant.

COLUMBUS, Neb., June 8.—At the last
meeting of the city council the contracts
for lighting the streets were not re-
newed, the offers being rejected. This
move is construed to mean the first step
in the direction of the city purchasing
the electric light plant.

Mrs. L. M. Barnes, 37 Medford St., Medford, Mass., writes on Jan'y 31st, 1899:
"It would be difficult for me to find language to describe my suffering for three
years before taking your Dr. Kay's Renovator. Several physicians pronounced my
case one of Nervous Dyspepsia and Nervous Prostration. A little ex-
citement or worry would cause great prostration, extreme nervousness,
headache, indigestion and severe vomiting which at times kept up continually for
two or three days in spite of all my physicians could do. I became very thin in
flesh and lost nearly all of my hair, the top of my head being entirely bald. I suf-
fered terribly with my stomach, being unable to digest anything. I tried several
physicians without getting any relief. Finally I had a friend send me Dr.
Kay's Renovator and I began to improve as soon as I took it and the change was
wonderful. No one was ever benefited more than I am could they be more thank-
ful for such a panacea as Dr. Kay's Renovator as my physicians could not help me.
As soon as I began to improve my hair began to grow and now it is thicker than ever.
I could not exaggerate my case nor the benefits I have received from taking
Dr. Kay's Renovator.
You are at liberty to publish this for the benefit of others if you desire." It is a pos-
sible cure for the worst cases of dyspepsia, constipation, liver and kidney diseases
